Wear2Care [Link](#)

July 2024 - Present

-Wear2Care is a unique platform dedicated to promoting sustainable fashion and helping those in need. Our goal is to provide a seamless experience for users to buy high-quality second-hand clothes and easily donate their gently used items to NGOs. By bridging the gap between sustainability and charity, Wear2Care aims to make a positive impact on both the environment and our communities.

Screen Time Tracker (Chrome Extension) [Link](#)

June 2024

- The Screen Time Tracker Task Reminder Chrome extension helps users monitor their screen time on individual tabs, providing reminders to take breaks and displaying remaining tasks for the day. It's designed to promote healthier browsing habits and improve productivity by keeping track of time spent on each tab and reminding users to take breaks after extended periods of activity.
